“

Dear Friends

It gives us a great pleasure to welcome you to the City of Joy for the 37th AICC RCOG Annual Conference on September 19-21, 2024. After two successful conferences in Mumbai and Delhi this is going to be the biggest post-pandemic physical AICC RCOG Conference. We are expecting over a thousand delegates to attend the conference from India and abroad. We already have thirty confirmed international faculties including President RCOG and her full team of officers to enrich the academic content of the conference. Those who attended AICC RCOG conference 2019 and AICOG 2023 will surely have the fond memories of the hospitality of iconic ITC Royal Bengal, which happens to be the venue of this year's conference too.

The conference will start with five pre-congress workshops/masterclasses including Urogynaecology, Preventive Oncology, Obstetric Skills, Perinatal Mental Health and Communication Skills. The scientific committee has started preparing a well-balanced scientific agenda keeping the diverse academic interests of the delegates in mind. The highlights of academic schedule would include orations, plenary lectures, keynote lectures, symposium, case-based panel discussion and free communications. The scientific programme will be complimented by enthralling cultural events in the evenings and delicious cuisine from ITC Royal Bengal throughout the day. We are confident that this time too you will carry home some pleasant memories.

We look forward to welcome you in Kolkata in September.
